DETAILED ACTION

Response to Amendment

1. Applicants' amendments and arguments, see amendment, filed on 11/03/2004, with respect to claims 1-10 have been fully considered and are persuasive. The 35U.S.C.102(e) rejections have been withdrawn. None of the previously cited reference teaches the amended claims 1-10.

Allowable Subject Matter

2. Claims 1-10 are allowed.

Examiner's Statement of Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The prior art along or in combination fails to teach or make obvious the limitations that specifically comprises:

"a memory for the selectively controllable storage of permitted individual media access control addresses, and
means for restricting forwarding of packets from the device in response to an examination of media access control data in said packets and said permitted media access control addresses;

wherein said means for restricting prevents the forwarding of a unicast packet having a source address and a destination address when neither of those addresses in the unicast packet corresponds to a permitted media access control address, said device including means for comparing both the source address and the destination address of said unicast packet with said permitted individual media access control addresses" as recited in the independent claims 1,3, 5-6, 8 and 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
